

**D.R. DOMENICHINI
CONSTRUCTION**
CA LIC# 838530

PROJECT MANAGER/ESTIMATOR JOB DESCRIPTION

- You're positive, enthusiastic, energetic and a team player.
- You welcome an occasional challenge and enjoy being a problem solver.
- You're self-motivated and enjoy the freedom of a flexible work environment.
- You understand the importance of customer satisfaction and the significance of quality and service.
- You are looking forward to applying your current skills to these roles, while taking the opportunity to learn and grow in new directions.

D.R. Domenichini Construction is a fully licensed, bonded and insured general contracting firm servicing the greater Bay Area. David R. Domenichini, owner and proprietor, brings many years of experience to his family owned and operated business. Recently voted as Morgan Hill's Best Contractor for 2014, D. R. Domenichini Construction is committed to producing quality work and maintaining excellent customer service.

If you love seeing a customer's dream project come to fruition, enjoy positive customer reactions to a job well done and like the idea of making a big difference in a growing company, please fill out our online employment application and send a resume and/or contact us at: jobs@drdcon.com.
